- React, TypeScript, JavaScript, Bootstrap

Mobile
- React Native
- Expo SDK

IDEs
- VS Code
- XCode
- Android Studio

Design
- Figma
- Adobe Illustrator
- Procreate

Experience

2023
District of Hawaii, Hilo-Waiākea Complex
WEB DEVELOPER
- Developed a website to meet the needs of teachers and students in the Hilo-Waiākea Public School District.
- Used HTML, CSS, Javascript and Bootstrap to design and develop a custom website.
- Consulted with teachers to collect data to determine how to create the best user experience for them as administrators.
- Presented and demonstrated to teachers how to operate, troubleshoot, and maintain the website for future use.

2023
Wordle Party Game App, Apple App Store & Google Play Store
MOBILE DEVELOPER
- Created an app using React Native and ExpoSDK that allows users to play Wordle in private groups together
- Allowed users to generate their own words to have other party members solve
- Tested and deployed changes before ultimately publishing to both the Apple App Store and Google Play Store

2016-Present
The Pretty Printcess, *theprettyprintcess.etsy.com*
OWNER, GRAPHIC DESIGNER
- Designed hundreds of products — primarily SVG, DXF, PNG, JPG and PDF files — to meet thousands of customers' needs.
- Worked closely with clients to produce custom designs to meet their personal needs and expectations.
- Marketed products across a wide range of sites to yield 6,700+ sales.
